Press release from: [BuildingsDirect.net](#)

Mammoth Cave, KY - BuildingsDirect.net is proud to announce the acquisition of MetalBuildingsRUs.com, a steel building supplier website. BuildingsDirect.net is also a steel building supplier, which makes this a great addition to the company. Financial terms of the deal were not disclosed.

This acquisition gives BuildingsDirect.net a new line of steel buildings to offer their customers at the same great prices as their former line of buildings. Customers can choose from a line of prefab buildings or obtain a quote for a custom building size. These steel buildings can be used in a variety of ways including churches, schools, offices, workshops and many other uses. The MetalBuildingsRUs.com site infrastructure should help increase our company's profile and web visibility, as well as increase of net yearly profits. It also allows us to build upon our existing framework and clientele in expectation of increased support and client satisfaction.

BuildingsDirect.net was formed in 2006 to offer potential clientele steel building products over the web. With 14 locations across the U.S, each building is shipped in a timely manner. BuildingsDirect.net offers shipments throughout the U.S and Canada. All buildings have a 25 year guarantee and are weather and insect resistant. Our buildings are easy to assemble yourself or we can erect them for you.

MetalBuildingsRUs.com is one of the world's most trusted brands of prefabricated steel buildings. Their steel buildings have withstood the test of time and the elements. For over 50 years they have been fabricating quality steel buildings, which makes this a quality acquisition for BuildinsDirect.net. With this acquisition, BuildingsDirect.net hopes to extend its client base and offer even more quality buildings than previously offered.
