Latin Excursions (latinexcursions.com), a South America Luxury Travel boutique firm recently announced its luxurious 2008 combo tour to Machu Picchu & Galapagos Islands. The South America luxury travel company specializes in customized travel to South American.

Machu Picchu & Galapagos are two of the premier travel experiences to visit in Latin America. Eric Sheets, founder of Latin Excursions on the announcement commented, "It is arguably one of the best combination travel experiences one can experience when visiting two of South America's highlights on one single journey. It is a unique exploration trip that includes both the 'Mysterious lost city of Machu Picchu' & the 'Enchanted isles of Galapagos'. This exclusive Machu Picchu & Galapagos tour will acquaint you two remarkable phenomena of world history, viz The Inca Civilization & the Theory of Evolution. Machu Picchu is the seat of Inca Civilization & is home to Inca ruins, Sacred Valley, etc. Galapagos Islands is the natural laboratory of Charles Darwin, whose fauna he studied & eventually presented the world his famous theory of 'Evolution'. Hence, this adventurous trip will help you explore more than just scenic beauty. Travel South America through this exclusive itinerary."

The Galapagos Machu Picchu combo tour includes activities like, hiking on the Inca Trail, visit to the Sacred Valley, trip to Cuzco, capital of the Inca Empire, etc. From Peru, the excursion will continue in Ecuador, where a four or seven-night cruise of Galapagos will be provided to the tourists. A trip to the historic city of Quito, Ecuador is also included.

Mr. Sheets adds, "This thrilling adventure will include fun-filled activities such as, trekking, scenic train rides & an experience of a lifetime. In the Galapagos, you will witness an extraordinary ecosystem, geological diversity & abundant biodiversity. These two world-renowned tourist destinations combined in one itinerary makes this trip the South American adventure of a lifetime!"

Frank Alain from Paris - one of the clients of Latin Excursions shared these words about his experiences of the Machu Picchu & Galapagos tour, "We had a special experience in the Galapagos & Machu Picchu. Fabulous hotels & Latin Excursions' staff was exceptional. They received us & knew when not to be with us. This takes a special skill & I commend Latin Excursions in training your hosts in this very special way!"
