GMW selected pictures from our photographers Martin Gommel, Sabine Thier, Hans Joachim Conrad, Olano Riveira and Steven Stevenson. All photos are mounted onto Dibond with an acrylic glass plate applied on top. This high quality material guarantees an extraordinary brilliance and impact for each photo, and provides the interior of the new GMW office with positive vibrations. A good environment is one of the main requirements for successful work.

Employees, clients and guests had the opportunity to view the printed photos in the course of the official opening in Bruchsal on the 3rd April 08.

According to Mr. Otto Eberle, the Managing Director of GMW, the interior design, created by Art 2live4 was highly praised by the guests.
