Testimonials

Elizabeth - Frederick, MD - January, 2006

"I just wanted to let you know about my positive experience with DentalPlans. On my first dentist visit, I saved \$50 off the entire bill. Cleaning and X-rays also cost me less then \$100. These are great prices in Maryland. Thanks!"

Ed - Denver, CO - January, 2006

"I found your site by searching in Google. Yours was the first one that came up and I joined. I looked at other dental providers sites but they did not have clear, concise information like yours. There are many dentists in my area to choose from and the plan has a great reputation. Thank you."

Patti - Ramona, CA - January, 2006

"Wow, I am very impressed with DentalPlans! We really saved money on our son's urgent wisdom teeth surgery. We also love the dentist which is a bonus. Thank you so much."
