A deluxe business hotel located in the heart of the city embraced by stunning views of Victoria Harbour

With 324 rooms including 12 spacious suites, Hotel Panorama by Rhombus has opened on March 28th, 2008. This brand new property, one of Hong Kong's tallest buildings, will deliver you a genuine style in accommodations embraced by pure comfort and relaxation. Guestrooms are contemporarily designed with floor-to-ceiling windows, offering breathtaking views of both Victoria Harbour and the city of Hong Kong ranging in themes: Silver, Gold and Platinum.

Superbly located in the heart of Tsimshatsui in one of the city's most popular shopping and business hubs, Hotel Panorama by Rhombus is amidst a vast selection of shops, boutiques, museums, restaurants, bars and entertainment centres. Its prime location allows you to access all parts of Hong Kong via Mass Transit Railway (MTR), Airport Express, buses, taxis and ferries. All of Hong Kong's conveniences are right at Hotel Panorama's door steps.

Located on the 38th floor is Santa Lucia Restaurant & Lounge, boast modern design and floor-to-ceiling glass. By day it is a bright naturally lit room with scenic harbour and city views, while after sunset it transforms to a serene canopy of stars and city lights. It is the ultimate place for any occasion requiring a magical ambience, setting, view and fine dining experience. Café Express located on the lobby level, is the informal all-day restaurant providing you with a casual breakfast, brunch, light lunch or a deluxe dinner.

The other unique facilities include the Sky Garden, Fitness Centre, Rhombus Club Executive Lounge and Business Centre. The Sky Garden, Putting Green and Fitness Centre are located on the 40th floor where you can unwind and relax while taking in some of the most spectacular and idyllic scenery on earth. Rhombus Club Executive Lounge on the 39th floor offers state-of-the-art meeting facilities, personalized business and concierge services; it is an exclusive retreat for conducting business or simply relaxing and enjoying a soothing cocktail after a long day. The Business Centre on the lobby level offers a wide range of personalized administrative and internet services catering to all diverse business needs.
