Category: [IT, New Media & Software](#)

Press release from: [SPARKLE](#)

SPARKLE Computer Co., Ltd., the professional VGA card manufacturer and supplier, today announced that the GameStar, a well known German Gaming Magazine, has honored the company's SPARKLE GeForce 8800 GT 512MB Graphics Card with "Recommended Hardware" Award in 2008 April issue.

SPARKLE Computer Co., Ltd, established in 1982, is a high-end VGA card manufacturer and supplier to mainly provide NVIDIA series graphics cards. With its strong R&D ability and investment in both hardware and software, SPARKLE was continuously honored by global media for its SPARKLE and Calibre series GeForce graphics cards. Now, SPARKLE GeForce 8800 GT 512MB Graphic Card won the GameStar Hardware Reference Award for PCI Express Graphics Card below €200 from GameStar Magazine.

Based on NVIDIA's next generation architecture, the SPARKLE GeForce 8800 GT 512MB Graphic Card is the monster in 3D Games with 600MHz core speed, 1500MHz shader clock and 256-bit 512MB 1800MHz GDDR3 memory speed, dynamically allocates processing power to geometry, vertex, physics, or pixel shading operations, delivering up to 2x the gaming performance of prior generation GPUs. Built upon technologies such as NVIDIA Lumenex Engine, providing support for DirectX 10 Shader Model 4.0, NVIDIA Quantum Effects technology for physics computation and GigaThread Technology for extreme processing efficiency in advanced, next generation shader programs.

"Being recognized by famous GameStar Magazine underscores our focus and commitment to be the best DirectX 10 graphics cards maker in the world." Said Allen Wu, sales manager of SPARKLE Computer Co., Ltd. " SPARKLE GeForce 8800 GT 512MB Graphics Card excelled in GameStar magazine 2008 April issue emphasizes the quality, importance, and relevance of cutting-edge and high-performing graphics for latest DirectX 10 games. We are very honored by GameStar Magazine's award, which salutes SPARKLE's ability to deliver the premier 3D graphics solution for our customers."
