Voiceover coach Marc Cashman instructs the Voice Over Experts audience on listening objectively to help bring their voice-acting careers to the next level.

Toronto, Canada (VOICES.COM) May 7 – Marc Cashman, award-winning voice actor and voiceover coach, is featured this week on the Voice Over Experts Podcast, podcasts.voices.com/, the top educational podcast for aspiring and professional voice actors around the world. Marc Cashman is the owner of Cashman Commercials and the Cashman Cache of Voice-Acting Techniques in Los Angeles where he teaches private voice lessons and group classes.

In his third episode, Marc Cashman reveals "5 Areas of Active Listening". A critical skill to hone, active listening can help people to become objective about their performances and also assist them in meeting goals to achieve the nuance and deftness that great voice actors possess.

Marc Cashman participates in the voice over community regularly and generously shares his knowledge with aspiring voice actors and professional voice talents via Voice Over Experts podcast. These weekly podcasts provide working voice actors with consistent inspiration and tips on how to grow in their craft. Available as MP3s, the lessons are hosted online and can be heard at any time of day at the convenience of the listener.

The Voice Over Experts Podcast can be found and subscribed to for free in the iTunes Podcast Directory and online at the Voices.com Podcast Center.
