Silverfernz have added a new range of unique home wares, accessories and gifts by New Zealand designer Jill Main.

Online retailer of New Zealand gifts, jewelry, and souvenirs adds a new collection of home wares, clothing accessories and gifts. The collection comes from the well known New Zealand designer Jill Main.

“Jill is well known for her feathered Kahu-ria and Tui products that are made from fabric exclusive to Jill Main New Zealand” says David Finlay of Silverfernz. “The range includes purses, bags, scarves, wraps, throws, blankets, cushions and we are adding more all the time.”

There are 2 ranges available; Kahu-ria and Tui.

Each range reflects the natural beauty that can only be found in our precious country, "Aotearoa".

"Tui" is inspired by the native bird with its sleek, black feathers and memorable birdsong.

"Kahu-ria", when teamed with hand-stitched feather detailing, is reminiscent of the traditional Maori cloak.

“This range combines style, simplicity and sophistication” Finlay says.” A great range for any occasion, formal or everyday wear.”

Silverfernz also offers many more New Zealand gifts, jewelry and New Zealand made and themed items.
