Terilee Harrison, Founder of The Business Mom, is one of 38 women entrepreneurs whose expert chapter is featured in the newly released book: *Inspiration to Realization: Real Women Reveal Proven Strategies For Business, Personal, Spiritual and Financial Fulfillment (Volume II)*.

Compiled by Christine Kloser, *Inspiration to Realization* offers a master plan for personal and professional breakthroughs and summits. Divided into three sections -- spiritual, personal, and business/financial -- the topics covered include:

- \* How to start a business with your head... and your heart.
- \* Five strategies to help you keep more of what you make.
- \* How to fill your future with financial stability and abundance.
- \* Discover six simple steps to manifest your dreams.
- \* Discover the secrets that six-figure women use to achieve business success.
- \* And much more!

Ms. Harrison, who strives to help mom entrepreneurs to “get a life”, contributed Chapter 3 entitled: *Three Steps to Courageous Living*. In this chapter, she shares steps taken in her own life that help her to live each day without fighting fear. She created a New Personal Vision, lives each day with positive thinking and a positive attitude, and she is always on the look out for “her people”!

Like a symphony of self accomplished female professionals, *Inspiration to Realization's* authors reflect a varied group of successful artists, business owners, life coaches, consultants, CEOs, TV executives, inventors, and psychologists. They are also thriving individuals, girlfriends, wives, mothers, daughters, grandmothers, and sisters.

The book's premise holds that women collectively share in the pursuit of a vibrant, well-rounded life. Yet, an overemphasis on career and business endeavors while shortchanging personal or family matters carries a profound unseen cost. Conversely, if an individual's focus strays too far into the spiritual at the expense of long-term financial consideration, then true freedom becomes fleeting. This book is simply about having it all.

*Inspiration to Realization* can be purchased online for \$19.95 (plus tax and shipping), at [www.amazon.com](http://www.amazon.com), [www.thebusinessmom.com](http://www.thebusinessmom.com), and [www.loveyourlife.com](http://www.loveyourlife.com).
