Press release from: [Pageflakes](#)

Pageflakes, a personalized startpage, today announces its launch of the new affiliate program. Applications can now be made at www.pageflakes.com/affiliateprogram.html

All webmasters are invited to cooperate with Pageflakes and become part of the growing community.

With the introduction of multiple pages Pageflakes is now offering a unique feature, differentiating it distinctively from other Ajax startpages – a market that is growing rapidly. In the past 7 days alone, Pageflakes has added 5 new modules including features like maps, event finder, TV guides and many more. Signup is free and takes only seconds. Everyone can build their very own and personalized startpage within 2 minutes without any programming experience. The most popular gadgets are RSS news readers, the Address Book and Task List features.
