Press release from: [LogoBee, Inc.](#)

September the 6th will see the 24th annual Picnic in the Park hosted by West Valley Community Services, Inc. (WVCS) at the Cupertino Civic Center Plaza. This is a fundraising event to help support WVCS so that it may continue offering valuable non-profit services. This event will take a considerable amount of preparation, especially since they will be marketing their new logo design donated to them by LogoBee just prior to this event. However, WVCS does not shy away from hard work.

WVCS is a non-profit organization; that is why they are required to host fundraising drives and events. They offer valuable services to the Santa Clara County area such as: food, shelter, clothes, affordable housing and financial assistance. In order for a fundraising event to be successful the general public must get involved. This requires a certain degree of public recognition for the non-profit group. This is why WVCS applied to the Annual LogoBee Logo Design Makeover Contest last December. Having a brand that is easy to remember is helpful when hosting events like the Picnic in the Park.

The Picnic in the Park will involve a silent and live auction; and a BBQ sponsored by the generous people at the Outback Steakhouse. The event should be fun for all participants who attend. So if you are in the area please drop by and help contribute to a worthwhile cause. Keep your eyes open for event posters with the new "Health – Home – Heart" logo design for more details about this event.

Additional Information about the WVCS:

WVCS serves the West valley communities of Cupertino, Los Gatos, Monte Sereno, Saragota, West San Jose and the unincorporated mountain regions. Visit them on the web: [www.wvcommunityservices.org/](http://www.wvcommunityservices.org/) or call: 408-255-8033.
