Camera for high & low Light, Security Applications

San Diego, CA, July 23, 2008, 2008 Audio Video Supply, Inc, a San Diego distributor first in CCTV Security, has introduced the new Watec WAT-1000 Camera from its new product line.

The Watec WAT-1000 wide dynamic range (WDR) camera is perfect for day-night applications. The Watec-1000 is a 1/3" CDD industrial camera with a RS-232C interface, and an OSD (on-screen-display), providing the user a plethora of control over the unit. The WAT1000 out performs its competition by providing high image quality in any light range where most normal cameras just cannot compete.

The Watec WAT 1000 is ideal for various security/surveillance applications: store security, office security, public facility security, personal security, accident prevention/safely and other surveillance application.

The Watec WAT-1000 security camera is now available to order. For additional information, please refer to our product page. To order, please call 858-565-1101.
