DALLAS/HOUSTON – Gardere Wynne Sewell LLP is proud to announce that four attorneys from the firm's Dallas and Houston offices have been included among the top business attorneys in the country in the most recent Super Lawyers Corporate Counsel Edition.

Dallas partners Kenneth R. Glaser and Andre M. Szuwalski are among the attorneys featured for their work in intellectual property, and Dallas partner Peter S. Vogel was recognized for his work in intellectual property litigation. Houston partner Jeffrey S. Davis earned selection to the list based on his defense work for clients in civil litigation.

“This is well-deserved recognition for these attorneys,” says Gardere Managing Partner Steve Good. “They are unquestioned leaders in their fields, and are instrumental in making Gardere a go-to law firm for businesses needing legal help.”

Super Lawyers Corporate Counsel Edition will be delivered in August to more than 25,000 CEOs and in-house counsel at America's leading private and publicly held companies. The publication highlights the top business attorneys around the country who previously earned Super Lawyers honors in their home states.

Texas Super Lawyer selections are based on peer nominations made by more than 70,000 attorneys from across the state, with the final selections made by a blue-ribbon panel of lawyers chosen by the Texas Super Lawyers editors. Fewer than 5 percent of the attorneys nominated are chosen for this honor each year.
