Agency: **VAG-Armaturen GmbH**

VAG-Valves UK Ltd. is pleased to announce the award of the British Standards Institute Kitemark for our BS750 Underground Hydrant.

The award is the culmination of many months of hard work and effort by our manufacturing plants in Mannheim, Germany and Hodonin, Czech Republic.

This award further establishes VAG's long term commitment to supply products to the UK Water Industry and its dedication to providing products to the highest achievable standards.

Well done and thank you to everyone who was involved in the process of approval.
