Press release from: [ReservaCar Dublin Airport](#)

Newgrange Lodge, which provides a unique venue that, offers hotel accommodation and traditional Irish hospitality, teamed up with ReservaCar-DublinAirport.com car hire site.

The lodge is perched on seven acres overlooking the tranquil, picturesque Boyne Valley, the famous River Boyne and the ancient sites of Newgrange and Knowth. The picturesque and intimate surroundings of Newgrange Lodge provide the perfect venue for marquee wedding reception.

Newgrange Lodge is well suited to host private functions including receptions, workshops, small conferences and team building events. It can cater for small and large groups in their mix of twin, double, family and multi bedroom accommodation. The friendly staff can assist in organizing a range of day activities and packages for groups including clay pigeon shooting, archery or canoeing.

"Our partnership with ReservaCar-DublinAirport.com will help our visitors to look and book car rental, and they also have the opportunity to search for the best car hire price without visiting many car rental websites." - said proprietor of Newgrange Lodge.

The website www.reservacar-dublinairport.com is focused on Dublin Airport car hire but also offers car rental throughout Ireland including all Irish airports.

"I am really excited to be working with Newgrange Lodge. We are happy to offer Newgrange Lodge's visitors our online and simple to use car hire booking service. We also provide customers with affordable car hire excess reimbursement insurance policy for leisure and business car hire." said Noemi, director of ReservaCar Dublin Airport.
