

## **TOPEX welcomes you at GITEX TECHNOLOGY WEEK Dubai**

Date: 10-17-2008 08:29 PM CET

Category: [Media & Telecommunications](#)

Press release from: [TOPEX](#)

Agency: **TOPEX**

Between October 19th and 23rd, TOPEX solutions will be presented at GITEX Technology Week, the most important telecom exhibition for IT in the Middle East, Africa and South Asia.

The ninth event on TOPEX agenda for 2008, GITEX TECHNOLOGY WEEK Dubai contains three sections:

- GITEX Business Solutions - the section provides three distinct areas for Network & Security, Office Technology & Supplies and IT Solutions.
- GULFCOMMS, the region's largest international telecommunications forum for the mobile, fixed, IP and satellite sector.
- CONSUMER ELECTRONICS

For TOPEX, exhibiting at this event at Business Solutions section, will be a good opportunity to be in contact one more time with the Middle East business environment and to try to establish new and fruitful relations with companies from the telecommunication area.

The attention at this fair will be focusing on its pivot direction for 2007, the Bytton router. TOPEX HSDPA Wireless Broadband Router is a professional multitasking device that offers one voice line (telephone or exchange) connectivity and internet access for a local computer network. It serves also as a VPN Router with powerful Firewall, LAN Server and Video Surveillance Server. The router acts as a voice cost optimizer tool for fixed to mobile calls with Least Cost Routing capability.

“TOPEX is committed to build strong relationships with its partners all over the world, by offering business solutions that meet the requirements of a rapidly developing telecom market. We are confident that this event will offer us the opportunity to meet industry professionals interested to know about our solutions. ” – declared Mr. Bogdan Calin, Regional Sales Manager at TOPEX.

You are invited to reach detailed information about what TOPEX can offer in terms of products, solutions and services visiting Business Solutions section, hall no.6, Romania IT stand no.11 between 19th and 23rd of October in Dubai.

TOPEX is among the most innovative, fast growing European manufacturers of telecommunication equipment, providing a wide range of telecommunication applications. The company has over 18 years of experience in research, development and manufacture of both civil and military telecommunication devices.

TOPEX's leveraged expertise includes: Next Generation Network solutions Softswitch, Media Gateways for TDM, VoIP, GSM and CDMA (2G, 3G), Signaling Gateways (SS7, ISDN, R2, SIP and H323), Broadband Wi-Fi Mobile Routers, Fixed-Mobile Terminals (2G, 3G) and ATC Voice Communication Systems.
