Press release from: [FrenchCreek Production, Inc.](#)

FRANKLIN, PA - August, 2008 – FrenchCreek Production, Inc., a manufacturer and supplier of quality Fall Protection, Confined Space, and Rescue/Recovery Systems has announced the internal promotion of Chris Williams to the position of Manufacturing Manager.

“It is with great pleasure that Chris assumes the roles and responsibilities of Manufacturing Manager,” said Frank Davison, FCP Vice President and General Manager. “He has been exposed to many sides of our operations within the last seven years, and is instrumental in the ongoing developments of manufacturing.”

As Manufacturing Manager, Williams will be overseeing the manufacturing process and managing the utilization of equipment, facilities, and personnel to obtain maximum efficiency and performance objectives. He joined FrenchCreek as a Product Development Engineer in 2001 upon graduating from Gannon University, with a BS in Mechanical Engineering, the same year.

About FrenchCreek Production, Inc.:

FrenchCreek Production, founded in 1992 and based in Franklin, Pennsylvania, is a manufacturer and national supplier of Fall Protection, Confined Space, and Rescue/Recovery Systems. With a multitude of independent distributors selling the FrenchCreek name or products, the company continues on a consistent and positive growth trend. Combined, Founder Carl Wible, President Jason Wible, and VP/GM Frank Davison, hold over 80 years in the Fall Protection Industry.
