Press release from: [Russell Bedford International](#)

Rex Consulting, a multi-discipline accounting, tax and legal services practice, has become the Bulgarian member of Russell Bedford International, the worldwide network of independent accounting and consulting firms.

The firm has been a correspondent of Russell Bedford International since June 2007.

Rex Consulting Ltd was founded in 1995 by Ventsislav (Venzi) Vassilev, the senior partner and majority shareholder. Venzi studied Economics and Accounting at Bristol University in the UK. He then worked for a Big-5 accounting firm before establishing his own practice. There are five other partners: Yulia Peeva, Boris Vassilev, Petia Ivanova, Rositza Tzvetkova and Lily Trifonova.

Rex Consulting has its headquarters in newly refurbished offices in the capital, Sofia. Rex also has a subsidiary in the town of Varna - the largest city on the Bulgarian Black Sea coast. Another office was opened in 2007 in the industrial town of Plovdiv.

In July 2008 Rex Consulting acquired 100% of the shares of the Sofia-based accounting firm MDG Consult Ltd. This acquisition almost doubled the turnover and the number of employees of Rex Consulting in Sofia.

The majority of Rex Consulting's work is in the fields of accounting and tax, including bookkeeping, payroll services and tax consulting. Rex Consulting has arrangements with several independent auditors to support clients' financial audit requirements.

Rex has a multi-lingual staff and many overseas clients, especially foreign investors in Bulgarian real estate.
