Press release from: [Audio Video Supply, Inc.](#)

San Diego, CA, December 8, 2008 Audio Video Supply, Inc, a San Diego distributor of CCTV security and imaging products, introduces its new line of Pelco integrated camera systems.

Pelco's camera system solutions include indoor enclosures, outdoor enclosures, specialty enclosures, high security enclosures and fixed domes.

Pelco's indoor enclosures consist of in-ceiling and corner-mounted models. Some of the indoor enclosure product line includes the EH100-8, the EH3010, and the EH1000.

Pelco's outdoor enclosures, which include the EH2500 Series Enclosure and the EH3508 Series Enclosure, are designed to hold up against broad ranges of temperature and humidity, as well as sunlight and precipitation. They are environmentally sealed and capable of being electrically heated or cooled.

Pelco's specialty enclosures model include explosion, rain, dust and corrosion proof enclosures. Specialty enclosure product line includes the E706 Series, EH8100 Series, and the EHX*E Series Enclosures.

If vandalism and structural integrity are a concern, Pelco's high security enclosures are ideal. The HS8080/HS8134, the HS1500, HS2100 and the HS3000 can be used in public areas such as psychiatric and detention facilities.

Fixed domes come in both in-ceiling and pendant domes. The outdoor pendant dome models are environmentally sealed. They also include a sun shield and heater. Fixed dome product line includes DF5 Series Fixed Mount Dome, DD5-FM Dome Mount, and DF8 Series Mount Dome.

These are only a few of the many Pelco integrated camera systems that Audio Video Supply has to offer.
