15 December 2008..New York City, NY, USA. In Business4Good Enterprises, an International Development company, announced today, that the Computer Helpers Without Borders Campaign, featuring the 'EveryOne Helps' technology of Crossloop.com, and the 'Over Your Shoulder' Electronic Service call, will be supporting major and local charities in 2009. Featuring 30 Minute Computer Maintenance service calls, conducted through remote access software, these services will provide CheckUp and TuneUP services for Dedicated Pc's among these groups.

Peace & Non-Violence

Women & Children 1st  
EcoFriendly Organizations

For each service call, billed at 1.00 per minute (USD), 33% of the service fee will be contributed to a local, regional, or national good cause aligned with those areas of support. Additionally, a matching 'in kind' donation of a CHWB session, will be made to each organization.

Nominations for eligible beneficiary organizations are now being accepted.

In Business4Good is a development company, focused on diverting a percentage of business services to support local, regional, and international good causes, charities, community groups, and churches. Headquartered in the NY Metro area, and operating as a Global Virtual Consultancy, IB4G is headed by Patrick Dacre, a 35+ year veteran of the computer and manufacturing industries.
