Press release from: [New Believers Missionary Baptist Church](#)

December 29, 2008 – Bishop Veynell Warren, D.D. is the Senior Pastor of the New Believers Missionary Baptist Church and Soul Survivor Ministries in the southern sector of Dallas, Texas where the word of God is being ministered to the community. On any given Sunday the electrifying and elevating presence of the Lord can be felt in the House. Make no mistake this is not an easy task, this ministry has been faithfully walking under the leadership of God’s “Paperboy” for nine years and counting.

Warren stated, “2008 has been a year filled with great milestones, small stepping stones, signs, miracles, and wonders, along with a powerful movement of God. We have witnessed spiritual elevation against natural opposition, given birth to our praise, unwrapped a miracle, then went and got our stuff. Guess What? That is not even the tip of the journey. It’s only the beginning! Please continue to watch, fight, and pray with us as we continue to spread the word of God in 2009.”

NBMBC church worship services are held every Sunday at the 8:00am, 11:00am, and 3:00pm. Hope to see you there!
