Date: 03-16-2006 10:20 AM CET

Category: [Advertising, Media Consulting, Marketing Research](#)

Press release from: [Infochannel Group Ltd. & Co. KG](#)

This is the international continuation of the German Internet Genesis Project ( [www.millionpixels.de](http://www.millionpixels.de) ) for the English speaking community. The new site [www.millionpixels.org.uk](http://www.millionpixels.org.uk) was launched on 7 March 2006. One million pixels are now available to anybody for a period of 30 years on the site for a once-off payment of only US 1 per pixel.

A second project (Internet Genenis Project Reloaded) was lauched at 14 March 2006. This project is for .eu domain owner's only. An advertising space of 1 Mio. Pixels is divided into 25 x 40,000 Pixels corresponding to the 25 Member Countries of the European Community. The costs are once \$1/Pixel for a duration of 30 Years of advertising.

The Infochannel Group Ltd. & Co. KG, Hamburg, Germany and the Wikimania Ltd., Falmouth, Cornwall, GB are both busy in the fields of internet It-services and online-adervinging.
