AURORA, CO -- Online phone cases superstore Cases.com has announced the arrival of a new line of high quality Blackberry Bold cases from the popular designer Beyza Cases. The elegant leather designs from Beyza Cases are available in two unique styles; the Slimline and the dual-fuction MultiFlip style.

"The new SlimLine and MultiFlip Blackberry Bold Cases from Beyza are not only stylish, but also provide unrivaled protection. We anticipate that these new designs from Beyza will quickly become one of our fastest-selling Blackberry 9000 cases," says Alex German of Cases.com. (www.cases.com).

Both the SlimLine and MultiFlip Blackberry phone case are available in a variety of rich colors and tasteful leather finishes, including:

- Black leather
- Tan leather
- Red leather
- Antique black leather
- Antique brown leather
- Flo black leather
- Flo tan leather
- Flo red leather
- Croco black leather
- Croco tan leather
- Croco red leather

The new SlimLine Blackberry Bold phone cases from Beyza Cases offers a sleek and elegant design crafted from ultra high quality leather. The lightly padded, velvet-lined case offers premier protection, while remaining slim enough for comfortable pocket use. For added convenience, Beyza Cases' SlimLine style is designed to support the Blackberry Bold sleep function and includes a cut-out for the LED light.

In addition to the SlimLine series, Beyza Cases also offers the versatile MultiFlip case, a dual-function case featuring a unique removable flap and several openings in the leather to provide owners with easy access their Blackberry's most important phone functions.

"The removable flap of the MultiFlip Beyza case gives Blackberry owners the convenience of two different phone cases. When using the flip configuration, the phone is fully protected. However, the skin configuration allows users to easily access their keyboards while providing full screen protection," says German.

Crafted from the finest leather, the functional MultiFlip case offers superb protection of the device, while offering the easy access to the essential Blackberry features such as the recharging and USB connection. A protective device and functional accessory, the Beyza case even boasts a multi-use hidden pocket, as well as a removable swivel belt clip system.

Renowned for its superior craftsmanship, Beyza Cases offers luxurious and functional leather cases designed by the finest artisans. Based in Turkey, Beyza Cases strives to provide unique, fashionable, high quality products for the most popular handheld devices that are functional for both business and daily life.
