Press release from: [Interactive Voices](#)

TORONTO, December 5 (OpenPR) -- InteractiveVoices, (www.InteractiveVoices.com), the voice-over marketplace, is pleased to announce the official launch of their new solutions database, covering a spectrum of frequently asked questions relevant to voice-over talent regarding their career and to clients seeking voice-over services. Talents can learn everything from how to get started in voice-overs to more advanced queries such as quoting for voice-over work and how to succeed at InteractiveVoices.com. Clients can find numerous solutions to aid their recruiting efforts. Both voice talents and clients can use custom solutions to help them conduct business online at InteractiveVoices.

Popular talent subjects available in the Frequently Asked Questions database include how to get started at InteractiveVoices, how to use their My Account, audition for jobs, use their Notepad, Resources, pick their Featured Talent categories, Feedback, Studio, Webstore, and the option to request new features. Talent can also read testimonials and the success stories of their colleagues as well as read about the experiences of clients that have used the InteractiveVoices service to fulfill their voice-over goals and projects.

Similarly, clients also have a help menu that guides them on getting started, on how to use their account, post jobs, use their Studio, Notepad, save talent favorites and access valuable resources and downloadable documents.
