Press release from: [Audio Video Supply, Inc.](#)

San Diego, CA, December 29, 2008 Audio Video Supply, Inc, a San Diego distributor of professional video products, introduces its new line of Canon HDTV and SDTV Lenses.

Canon's range of HDTV and SDTV lenses are made for demanding professionals who want the proper tool to realize their unique creative goals. Professionals choose Canon HDTV and SDTV lenses due to their superior quality picture, ease of operation, and use of the newest technology.

An example of Canon's HDTV Lenses is the Canon KH20x6.4 KRS. The KH20x6.4 KRS is part of the HDgc Series and is for the 1/2-inch CCD cameras. The KH20x6.4 KRS is smaller in size and lighter in weight compared to the traditional BCTV lenses.

The Canon KH20x6.4 KRS features a Shuttle Shot Function, which allows the user to "shuttle" between any two zoom positions at any time. The KH20x6.4 KRS also features an advanced drive unit that is ergonomically designed for balance and comfort.

Depending on your video needs, Canon has the perfect HDTV/SDTV lens that will work for you. To find out about our other HDTV/SDTV lenses or to order at low prices, please call 858-565-1101. Audio Video Supply, Inc. is located at 4575 Ruffner Street, San Diego, California, 92111. On the web, www.avsupply.com
