Press release from: [KUDOKE Watches](#)

From 26th of March to 2nd of April 2009 the world watch and jewellery show in Basel, Switzerland, will take place. More than 2'000 exhibitors showcase their latest developments and innovations to an audience of more than 100'000 visitors from all over the world.

This year the young luxury watch brand KUDOKE will present its unique masterpieces for the first time at the show. You will find us in Hall 5.0, Showcase V05.

Please contact us at an early stage to fix an appointment if required! We are looking forward to meeting you at our booth.

For more information about the show please visit www.baselworld.com .

Stefan Kudoke – master watchmaker from Germany and founder of the watch brand – combines great watchmaking skills and the power of imagination to create exceptional pieces of art. His specialty is the refinement of mechanical movements by hand skeletonizing. The huge amount of handcraft involved in his watches in consideration of individual customer preferences make each KUDOKE an unicum.
