Press release from: [QuesCom](#)

QuesCom announced today that Technology Marketing Corporation's (TMC®) INTERNET TELEPHONY magazine (itmag.com) has named Enterprise One Number as a recipient of its 2008 Product of the Year Award.

One Number delivers optimal availability for fixed and mobile calls as well as fax. The solution enables one to be reachable at any time with a single number. Employees can benefit from the corporate features on their mobile phones. The company is making cost savings thanks to convergence.

Robert Urban, VP Sales & Marketing at QuesCom, said: "QuesCom Enterprise One Number provides businesses a cost-saving and efficient solution. The "Product of the Year" award demonstrates the interest of the market for an innovative convergent solution enabling cost-cutting and leveraging existing telecom infrastructure."

"INTERNET TELEPHONY is pleased to grant a 2008 Product of the Year Award to QuesCom. QuesCom has proven they are committed to quality and excellence while addressing real needs in the marketplace," said Rich Tehrani, TMC President and Editor-in-Chief of INTERNET TELEPHONY magazine. "We're proud to honor their accomplishments in the advancement of IP communications and look forward to more innovative solutions from them in the future."

A full list of Product of the Year winners will be published in the February, 2009 issue of INTERNET TELEPHONY magazine, (www.itmag.com). INTERNET TELEPHONY has been the authority in IP communication since 1998™.
