A variety of pub crawl adventures, organised by Australian touring company Thirsty Swagman (thirstyswagman.com), will include a selection of the official World's Top 80 Bars as featured in Australia's most popular men's magazine.

Perth, Australia – February 5, 2009 – Travellers looking to quench their thirst at the world's finest pubs need to look no further than a party tour offered by Australia's Thirsty Swagman touring company (www.ThirstySwagman.com). The company's tours, which include the world's first round-the-world pub crawl, a 12-day Oktoberfest tour and party flights to Asia, feature nine of the World's Top 80 Bars listed in the February 2009 edition of Ralph Magazine.

"It's fantastic to see that many of our party destinations have pubs and bars that are officially considered the best in the world" said Karen Logan, Media and Online Manager at Thirsty Swagman.

The selection of Top 80 Bars includes Rock City in Phuket, Thailand, listed as the number 1 bar in the article titled "Around the World in 80 Bars".

The others are: Tiger Bar in Thailand, Harry's Quayside Bar in Singapore, Deschlers Bar and The Mini Bar in New Zealand, Duesseldorf Altstadt in Germany, D'Almhuett'n in Austria, Beer Factory in Czech Republic, and Kaffibrennslan in Iceland.

"Every bar at every destination provides a unique way for travellers to combine a holiday with a great party, while experiencing a real taste of the local nightlife" said Logan. "It's the most exciting way to travel"

With tours departing from London, Miami, Oktoberfest in Munich, and major cities in Australia, Thirsty Swagman offers all-inclusive travel experiences with transport (in some cases flights) 3-star twin-share accommodation (including breakfast), entry to all pubs and bars (with discount drinks available at some), video production, t-shirts, and a private party / tour guide.

Thirsty Swagman was launched in April 2007 to provide an alternative to the usual sight-seeing and experience tours. The company offers purely pub- and bar-based trips, as well as tours to Oktoberfest, Rio Carnival and other festivals.
