Tokyo - Today, Founder of Imperiali Organization, reestablished landmark relations with one of the most successful businessman in Tokyo, long time friend of Daniel Imperato, Yasuhiro Konno.

Konno will support Imperato's efforts pertaining to Imperiali Organization and Imperiali Organization's mission to build the fastest gateway to the globe.

The meeting came a few minutes before flight time where Imperato will be heading to Los Angeles to meet with an investment banking group regarding funding Imperiali Organization's efforts and Imperiali Inc.'s public registration.

Imperato stated, "The relationship in Japan is every powerful and will establish once again a strong foothold in the marketplace."

Yasuhiro Konno, real estate owner, convenience store magnate, and rough diamond controller, adds a powerful dimension to Imperiali Organization's proven established strength around the globe.

Dan Mangru said, "Our founder Imperato is amazing. Throughout traveling with him through the Asia Pacific visiting several countries, I have learned and polished myself to be able to handle business affairs in the absence of our founder Imperato. As a Board Director, developer of Imperiali Organization's visions, and implementer of those visions, I come out to state that the Asia Pacific trip was a whirlwind and just proves that our organization has second to none relations in countries around the world based upon our founder's personality, respectability, knowledge of the common market, in conjunction with the fact that Imperiali has spend several million dollars and over 10 years establishing these relations.

Mangru has seen first hand the expansion and redevelopment of all of the global relations for the organization and expressed his recognition of the opportunity at hand.

"It's exciting to see the global portal grow at Godspeed, and I am honored to be a part of it. I believe that we will be a great success and I will assist our founder Imperato as an extension to his right hand, serving the needs of our clients around the world, adapting our company to the global markets and implementing business, politics, and religious acumens to the countries, their people, most important, our partners around the world."
