Seattle – April 3, 2006 - Today, Seattle-based International Business Entrepreneur and Telecommunications Equipment Specialist, Ken Martin, joined the Imperiali Organization, as a member of the Global Advisory team.

Martin was originally born in the United Kingdom and brings a tremendous amount of experience to the Imperiali Organization.

Daniel Imperato, the Founder of Imperiali Organization felt that Ken Martin was a valuable addition to the organization.

“Ken Martin brings great value to our organization. He is one of the most well-respected gentlemen in his field, and adds an added telecommunications project to our organization. Combining Ken Martin with the strength of the Imperiali Organization and our global presence, will position us to be a global leader in the telecommunications field.”

Martin has been associated with many successful companies around the world such as International Telecom Solutions. Recently, Martin has been involved with such innovative companies such as Nano-Jet Corp.

With international markets opening up to telecommunications infrastructure and buildout, Martin believed that now is an exciting time in the field.

“Many countries around the world are recognizing the need for Wi-Fi, Wi-Max, Cable and major telecommunications buildouts. As everyone from established countries to third world countries looks to upgrade their infrastructure, Imperiali Organization will be there to capitalize on opportunity,” commented Martin.

In addition to telecommunications development, Martin will also focus on advisory work for the organization.
