Date: 04-20-2009 07:44 PM CET

Category: [Advertising, Media Consulting, Marketing Research](#)

Press release from: [LOVEPIRATES](#)

A radioshow on the internet that convinces with extraordinary lyrics and that, in the first week, has spread out virally unusually fast all over the world. The Guerilla Radioshow of the band LOVE PIRATES was developed by the network HUCKLEBERRY FRIENDS AG - worldwide creative network.

Already in the first week, 230,000 listeners could be reached for the debut album "Brooklyn Bridge" by viral marketing. The production of LOVE PIRATES was born from the internationally awarded creative team for audio- visuals NEUE WESTPARK STUDIOS

The worldwide online- release starts on april 28th 2009.

You can listen to the LOVE PIRATES Guerilla-Show on lovepirates.com

The lyrics are as refreshing as the album itself.

„How should I suscribe this album? As I understand it LOVE PIRATES are the most pirate brand in the world. My friends and I branded the name and the style of living and feeling sound early in 1984. It’s a mix of Bubbles in my brain and LOVE PIRATES in my vein. If you enjoy LOVE PIRATES the first time you will know New York is made for everybody - Salemaleikum, Harlem I like you. Cape Town Chill with Paris Soul like Mama has a real chocolate cake, Not a wall street low fat fake. LOVEPIRATES.com is the link I think to the sharks, which are diving in your drink. Jezebel Baby! For a fee, her heart is big like Sanssouci. Enjoy drumhead delicacy from this cabriolet chillout dreadlocks are in heaven album and listen to a cat and walk song for one of the sweetest huckleberry girls of the world, Miss Veroncia Bond. I say she’s a real bellybutton burner. You know, walking down on Brooklyn Bridge or shoot the shit a little bit and rock the sundance kid. Enjoy the 16 lucky number seven songs in a timemachine and your shoes are tight like jelly bean.“ said Huckleberr Kid, the producer of LOVE PIRATES.
