PHILADELPHIA, PA – eModa Lifestyle Magazine, published by celebrity fashion retailer eModa, recently revealed that its June bimonthly issue will feature popular professional skateboarder, TV personality and daredevil, Bam Margera and his fashionable wife, Missy. With a release date of June 1, 2009, the issue marks the second installment of the up-and-coming online lifestyle magazine.

For the cover story, both Bam and Missy conducted an exclusive in-depth interview, and were also outfitted in the hottest trends in women's and men's designer clothing during a photo shoot with celebrity photographer SharBarra Taylor and styled by Michelle Miller. At the photo shoot, Bam donned some of the most popular labels in the fashion industry today, including Dom Rebel, Alkemy and Monarchy, as well as stylish pieces from skateboard fashion label Element, for which he is a spokesperson.

For the shoot, Missy was styled by Michelle Miller of eModa.com in the latest looks in women's designer clothing, including popular brands Salvage and Lauren Moshi, along with fashionable Factory Girl leggings and one of her favorite labels, Holy G. Additionally, Missy wore women's designer jeans by PUR denim, complemented by sassy Victoria Lampour heels.

"Bam and Missy Margera are so laid back and friendly - it was a pleasure to have them on set! Bam was cordial and charming

throughout the entire shoot, and Missy is simply one of the sweetest and most genuine people we have had the pleasure of working with. They even took the time to sign autographs for all of the eModa staff," says Dan Kogan of eModa (www.emoda.com).

Along with the cover story on Bam and Missy Margera, the June issue of eModa Lifestyle Magazine, which is available for free at www.emoda.com/magazine, features a variety of stories and photos related to fashion, celebrities and current events. The June issue will include a feature of the NFL's Ryan Grant of the Green Bay Packers.
