Press release from: [MetricStream, Inc.](#)

MetricStream, Inc., the market leader in enterprise-wide Governance, Risk, Compliance (GRC) and Quality Management solutions, today announced that it is participating in the Gartner Compliance and Risk Management Summit 2009. The conference is being held on April 29-May 01, 2009 at the Sheraton Chicago Hotel & Towers in Chicago, IL.

The Gartner Risk Management and Compliance Summit focus is the Inflection Point for Business Value, and will provide attendees with the direction, tools, workshops and program content around how to leverage their Governance, Risk and Compliance program to maximize their business performance.

At the summit, MetricStream will demonstrate the recent releases of its industry leading Risk Management Internal Audit and Compliance Management solutions that have been rated as best-in-class by customers, independent analysts and industry experts. The solutions are being used by some of the world's largest corporations from different industries including commercial banking, financial services, energy & utilities, healthcare, insurance, etc. for managing variety of risk scenarios, a wide range of operational and regulatory compliance issues, internal audits and corporate governance initiatives.

"Gartner Compliance and Risk Management Summit brings together thought leaders, industry experts and business executives to share lessons learned and best practices. This year there is a greater emphasis on how to leverage Governance, Risk and Compliance programs to maximize the business performance," said Gaurav Kapoor, CFO and General Manager of MetricStream. "We are delighted to participate in the event and present our experiences and expertise in enabling companies to respond effectively to the difficult issues emerging from Regulatory Compliance, Enterprise Risk Management, Ethics and Corporate Social Responsibility, Business Continuity Management and Governance by uniquely combining content services and technology solutions."

The conference attendees will be able to view a live demonstration of MetricStream's applications for Enterprise Risk Management, Internal Audit Management, Compliance Management and Policy Management - the core components of MetricStream's industry leading GRC solution suite.
