### **TOPEX VoxiPlus Advanced Recognized for Outstanding Innovation**

TOPEX announced today that Technology Marketing Corporation (TMC) has named TOPEX VoxiPlus Advanced as a recipient of a 2008 Communications Solutions Product of the Year Award.

VoxiPlus Advanced is the enhanced version of the initial VoxiPlus including VoIP, PRI and Cellular channels on the same chassis. The innovation of VoxiPlus Advanced is built on the number of cellular channels. On the base variant of VoxiPlus the client can use only 4 GSM channels but with this new version on VoxiPlus are available up to 12 channels – 2G or 3G.

The reduced size, high scalability and modularity made from VoxiPlus advanced the perfect solution for the migration to a larger mobile capacity at reduced costs and assuring an efficient return of investments.

VoxiPlus Advanced is suitable for SME environment, customers with PSTN infrastructure, fixed line, alternative or mobile operators. Due its high scalability the equipment can answer all the clients requirements achieving a high performance in the shortest time interval.

“It is a great honor for us to accept for the third consecutive year "Product of the year" award by Technology Marketing Corporation's (TMC) after our multiSwitch solution in 2006 and IP VCS in 2007.", declared Mr. Dan Adamescu CEO TOPEX. “We are proud to receive this award for our hard work and accomplishments and we are determined to prove our commitment in keeping pace with technological innovation in the future.”, added Mr. Adamescu

“TOPEX has been recognized with a 2008 Product of the Year Award for their excellence in the advancement of voice, data and/or video communications,” said Rich Tehrani, TMC President and Group Editor-in-Chief, “TOPEX has proven they are committed to quality and excellence in solutions that benefit the customer experience as well as ROI for the companies that use them. I am pleased to honor their hard work and accomplishments and look forward to more innovative solutions from them in the future.”

The Communications Solutions Product of the Year Award recognizes the vision, leadership and attention to detail that are the hallmarks of the prestigious award. The most innovative products and services brought to market in 2008 were selected as recipients of this year’s Communications Solutions Product of the Year Award for their groundbreaking achievement.

The 2008 Communications Solutions Product of the Year Award winners can be found on the INTERNET TELEPHONY and Customer Interaction Solutions Web site.
