GolfPatio.com, a locally owned online tee time retailer, is pleased to announce that the Northern Bear Golf Club has signed on as its newest golf course partner. The Northern Bear is located just outside of Sherwood Park and is one of three Jack Nicklaus Signature designed courses, built in the legendary tradition of his other prestigious and spectacular courses worldwide.

To kick-off the new marketing partnership, Northern Bear will be offering an exclusive tee time special for the entire month of June. Edmonton golfers can save 16% off regular green fees on Monday, Tuesday, and Wednesday, if they book online at GolfPatio.com. Golfers can access the discounted tee times through GolfPatio's Discount Tee Times section, by checking for specials on the Northern Bear directory page, or through a dedicated URL www.GolfPatio.com/northernbear-special/.

"GolfPatio will change the way people book tee times. Our club is very progressive and we saw the future of tee time bookings when we signed on with GolfPatio," stated J.J. Belanger, Vice President of Operations, Northern Bear Golf Club. "I can see a future where all tee time bookings are made online and the only call we will be getting is from lost golfers trying to find their way here," concluded Belanger.

"We're very happy at GolfPatio.com to establish an exciting marketing partnership with Northern Bear Golf Club," commented Bryan Smith, Co-Founder of GolfPatio. "We've had some early success in other markets, such as British Columbia, but it's wonderful to generate momentum for Edmonton golf courses, where GolfPatio is based," finished Smith.

Though Northern Bear is a championship golf course, Nicklaus designs his golf courses for players of all skill levels. There are five sets of tee boxes ranging from 5,800 to 7,400 yards which will entice novices and experts alike. The golf course is demanding, but fair, and rewards a well hit golf shot.

The Northern Bear is not just about golf. The clubhouse has been rated as one of the best in Canada and is able to accommodate corporate tournaments, special events, and weddings. The setting is beautiful, and as you enter the clubhouse, which overlooks the 9th and 18th holes, you are met by their signature waterfall in the lounge entrance.
