With its image film (A DAY LIKE NO OTHER), PERFORMANCE Marine won gold at this year's World Media Festival on 13th May in the category "Sales Promotion".

The four-minute film was produced between July 2008 and January 2009 at considerable expense.

It will come as no surprise that achieving the highest level on the podium was welcomed with great enthusiasm within the company. You can gain more impressions here: www.performance-marine.eu (category: media centre)

PERFORMANCE Marine is an Italian producer of luxurious offshore boats. "Individual Design" is the maxim that counts for the dockyard in Porlezza which always satisfies eccentric customer preferences. The boats of PERFORMANCE Marine are known for their sporty riding quality, due to the clever body construction also a secure and calm handle is guaranteed.

At the moment, the product range of PERFORMANCE Marine contains seven models of different sizes (starting from 6.80m to 14.00m). PERFORMANCE Marine possesses a broad distribution network that operates with focus on the European market.
