East Moline, IL (June 10, 2009) – YASH Technologies, a leading enterprise business and technology partner for global companies, has been selected as a guest speaker for the New England DB2 Users Group's next meeting on June 18, 2009 at the Publick House in Sturbridge, Massachusetts.

YASH will speak on "SAP® BusinessObjects™ Business Intelligence Offerings for DB2 Environments." Attendees will learn how it can help their organizations cleanse, analyze and distribute data across diverse user communities to help maximize the value gained from the vast amounts of information accumulated within an organization.

The New England DB2 Users Group was formed in 1988 for the purpose of exchanging info among users of DB2. The Group's annual banquet has attracted speakers of international stature on a variety of topics related to the use of DB2. For more information, please visit www.nedb2ug.org.
