Agency: **Schubert Communications**

DOWNTOWN, Pa., June 23, 2009 — Schubert Communications was again named one of the Top 100 business-to-business marketing communications agencies by BtoB magazine, the national trade publication for the business marketing industry. The honor marks the 7th consecutive year Schubert has made the list.

“Schubert continues to prove itself the premier B2B sales-centric marketing agency – not just in the Mid-Atlantic region, but nationwide – and this honor reinforces it again,” said Allen Silveri, president of Schubert Communications. “Delivering consistent quality and tangible outcomes for our clients increases their sales efficiency by as much as 20 percent, which in turn has helped us grow and earn this award year in and year out.”

Schubert recently marked its 30th anniversary, and in that time has continued to be 100 percent dedicated to serving B2B clients. “Schubert’s sales-centric methodology ensures that our integrated marketing programs deliver ROI for our clients in complex high-tech, life sciences and manufacturing selling environments,” Silveri said.
