BUFFALO, New York, June 30, 2009 - - O'Connell Communications, LLC has been established to administer the operations of audio'connell Voice Over Talent, International Voice Talents, Voice Over Workshop and O'Connell Marketing.

The owner of these four companies, Peter K. O'Connell, will serve as chairman this new limited liability company. Each existing company will continue to maintain their current branding.

"It's a small thing but it's also a big thing," noted O'Connell. "It's a small thing mostly because it's purely an administrative move to combine all the separate companies under one umbrella. It's a big thing for the organization because it is a nice indicator of just how far we've come since 1982," O'Connell continued.

Established in 1982, audio'connell Voice Over Talent is a worldwide, English language-based voice talent organization. International Voice Talents is a company featuring professional foreign language male and female voice actors; it was formally launched in 2008. Both provide voice talent for commercials, animation, corporate narrations, documentaries, broadcast voice imaging, audio books, podcasts and messaging on-hold (MOH).

Voice Over Workshop was founded in 2008 and provides professional voice over training to novice and experienced voice talent world-wide.

Formed in 1995, O'Connell Marketing provides professional consultation focused on marketing, sales and media production.

O'Connell Communications, LLC manages the operations of audio'connell Voice Over Talent, International Voice Talents, Voice Over Workshop and O'Connell Marketing.
