Press release from: [Wild Women Entrepreneurs](#)

Northern Virginia, VA resident selected to serve with organization dedicated to helping women personally & professionally

Boston (May 5, 2006) –Wild Women Entrepreneurs (Wild WE) announced today that Natalie Roble has been appointed Northern Virginia city leader.

“The mission of the Wild Women Entrepreneurs is to have women taking care of business on their own terms. These women are fearless, fun and fabulous. They are able to take the risks needed to be the Wild Women they are without compromise,” says Ja-Nae Duane, president and founder of Wild Women Entrepreneurs. “Natalie emulates that everyday in her personal and professional life and will be a great asset and role model in helping the Northern Virginia-area women of Wild WE to reach their fullest potential.”

“I am looking forward to working with and learning from the great members of this organization, who have guided and inspired success-driven, powerful women over the years,” says Duane. “Wild WE is a great network that not only emphasizes on success in the business world, but also on the importance of having fun and enjoyment in the process.”

Natalie Roble, a Northern Virginia, VA resident, is the Accounting Manager at Carahsoft ([www.carahsoft.com](http://www.carahsoft.com)). Natalie manages a team of sales representatives and helps them communicate with vendors and customers.

Natalie Roble is currently finishing her business degree at George Mason College, and she is hoping to open her own business soon after.

Wild Women Entrepreneurs ([www.thewildwe.com](http://www.thewildwe.com)) is a membership-based organization that encourages women to reach their full potential in business and in life. Wild WE understand entrepreneurship as an essentially creative endeavor. Their objective is to share tools, networks, and ideas women need to assume leadership.
