Fleming Gulf is delighted to be in Qatar from 11th – 14th October 2009 for our “2nd Middle East Energy Security Forum – MEESEC 2009 which will be held at the Grand Regency Doha, Qatar”

Based on the success of the 1st Middle East Energy Security Forum was held on the 23rd to 25th March 2009 in Dubai – U.A.E, which attracted more than 80 participants to share their opinions and insight on the Energy Security concerns. An enriched speaker panel (SAMREF, National Refinery Limited, Nabors Drilling International Limited, KOTC, TOTAL Nigeria, AcuTech Consulting, GSR Associates, Control Risks, etc) and due support of the Dubai Chapter of ASIS International and our premium sponsors (Securiton, Honeywell, Track 24, Ardan, AcuTech, Northrop Grumman) contributed to the forum.

The 2nd Middle East Energy Security Forum – MEESEC 2009 reveals the latest strategies and technologies which can be implemented to effectively mitigate threats.

We are pleased to announce the updated program for MEESEC 2009 with addition of new sponsors and international media partners.
