Press release from: [ABAS Software AG](#)

Istanbul, Turkey / Karlsruhe, Germany, September 9st, 2009 - ALKA Group, Turkey's exclusive manufacturer of road safety barriers and constructor of prefabricated steel constructions, such as antenna posts used in GSM base stations and elevated advertisement boards has selected abas ERP as their business software.

Largest manufacturer of motorway barriers in Turkey

ALKA Industry Co. (www.alkagroup.com.tr), the leading manufacturer of motorway safety systems in Turkey is also one of Turkey's largest growing exporting companies according to data from the end of the year 2008.

Already after the first meeting with the abas ERP implementation team and ALKA, in the company's new production facility in Gebze / Turkey, project team members stated that abas ERP will not only help them to be more efficient and effective in their daily business processes but also save costs in multiple areas. During the first phase of the implementation process, inventory and production stages as well as planning construction sites and the optimization of procurement processes are priority. Therefore, abas ERP will also help ALKA in the institutionalisation process.
