Date: 09-19-2009 12:15 PM CET

Category: [Business, Economy, Finances, Banking & Insurance](#)

Press release from: [Thomas Landschof](#)

Thomas Landschof, Global Strategy Consultancy Hamburg, Germany and Gem-Up Consulting Inc. Mississauga, Canada announce Start of Global Strategic Alliance with immediate effect.

Both Partners will co-operate in Global Strategic Projects where Decision Makers or Strategic Project Teams responsible for Strategy and Strategic Management are looking for dynamic real time Strategies that require Strategy Measurement Scorecards via Cloud Solutions.

Thomas Landschof consults Leaders on Meta- Core- and Future Strategies.

Corporations that are looking for real time monitoring as well as immediate strategic change messages will be able with to manage these requirements with the unique MSC2 Solution SaaS of GEM-UP Consulting Inc.

GEM-UP Consulting Inc. offers with MS2C an integrated business performance management solution that focuses its users on strategic planning, sustainable growth and performance improvement. MS2C enables the mapping of strategic initiatives to business objectives and Key Performance Indicators (KPIs). MS2C combines tools such as SWOT, PESTEL, Balanced Scorecard, CSF, dashboards, analytics and accountability framework. MS2C is delivered on Software as a Service (SaaS) model and relies on world-class platform Force.com.

For Clients looking for those kinds of solutions Thomas Landschof will support the Meta Strategic Planning Process as well as the development of the best Management Scorecards to drive the business into the future.

THOMAS LANDSCHOF operates worldwide as discreet global strategy consultant and personal coach for decision makers and celebrities.

GEM-UP CONSULTING INC., a management consulting organization helping organizations to perform better in the new web economy. Our mission is to provide an integrated tool and the associated knowledge required to use it so that managers can maximize the performance of their organizations.
