Press release from: [Bulgaria PR Office](#)

Agency: **Bulgaria PR Office**

Sofia, Bulgaria – Dipak R. Pant, Founder of Interdisciplinary Unit for Sustainable Economy and Professor of Anthropology and Economics is represented for his speaking engagements by CSA Celebrity Speakers. Prof. Dipak R. Pant advises governmental, non-governmental and business organizations on policy and planning issues for environmentally sustainable and socially sound development.

“A lively and fluid speaker, Prof. Pant, Italy’s leading speaker on sustainable economic development is deeply thoughtful and simple and uses comprehensible common terminology” – says Christina Vlahova, head of the CSA Celebrity Speakers Bulgaria office – “And we are very happy to be able to offer our clients across Eastern Europe the possibility to invite Dipak R. Pant to their conferences and events and to have the opportunity to learn directly from him.”

In addition to his role as the leader of Interdisciplinary Unit for Sustainable Economy and Extreme Lands Program, he lectures on sustainability issues, development planning and global human security issues in some West European, Chinese and US scientific institutions. His field experience, insight and informed perspective are regularly sought by the business community, scientific organizations, governments and NGOs.

By exploring vastness, diversity and complexity of human conditions in our world that is ever getting closer by transportation, technology and economic globalization, he clearly conveys the far reaching implications for organizations, communities and nations. He explains how unprecedented risks, challenges, and opportunities are emerging out of the global churning of eco-systems, ethnic identities and economies. The originality and freshness of his first-hand real-life experience and the profoundness of his reflections and vision are unparalleled.

CSA Celebrity Speakers Bulgaria is the leading speakers’ bureau in Eastern Europe and is part of the Celebrity Speakers Associates (CSA) global network of speaker bureaux, entrusted with the management of speakers’ services, who are among

the world's most outstanding personalities from the field of professional business, academia, politics, sport, entertainment and the arts.

About:

Dipak R. Pant advises governmental, non-governmental and business organizations on policy and planning issues for environmentally sustainable and socially sound development. A tireless world explorer, he is regarded as the pioneer of 'Extreme Lands Program' which conducts ethnographic field surveys, economic studies and collaborative economic and social development planning in the most marginal and difficult terrains of the world. He is credited with shaping the global development debate by linking social and environmental sustainability with market competitiveness through the strategic concept of 'place-brand'.

CSA Celebrity Speakers Bulgaria was launched in November 2007. The operations of the company spread across the whole of Eastern Europe and it is part of the Celebrity Speakers Associates (CSA) global network of speaker bureaux. CSA Celebrity Speakers Bulgaria is entrusted with the management of speakers' services, who are among the world's most outstanding personalities from the field of professional business, academia, politics, sport, entertainment and the arts.
